Miss Betty Barbara Jester and Mr. Gordon Sprague Nichols, being duly sworn severally, each for herself or himself, on oath deposes and says:

That affiant, Miss Betty Barbara Jester, for herself states that she is now and for the last three months has been living in Boise, Idaho, but prior to that time was a resident of the State of California; that she has been a student of Christian Science since the year of 1938 and has been a member of The First Church of Christ, Scientist, in Boston, Massachusetts and also is a member of First Church of Christ, Scientist, Coeur d'Alene, Idaho. That she is now, and has been since February of 1956, employed as a florist for Johnny Horn Flowers in Boise, and for the two and one half years previous to this time was employed at The Christian Science Benevolent Association on Pacific Coast in San Francisco, California; that she would like to be free to remain faithful to the teachings of Christian Science which turns the Christian Scientist away from examination of the body as a basis of health and toward total dependence on God for that blessing, and for this reason wishes to be exempted from any medical examination, laboratory tests and medical certificates for a marriage license; that she believes that she is in good health and is free from any venereal disease and that the public health and welfare will not be injuriously affected if such a license is issued without said medical examination, laboratory tests, and medical certificates.

That Affiant, Mr. Gordon Sprague Nichols, for himself states that he is now and since August 1941 had been a resident of San Mateo, California; that he has been a student of Christian Science all his life and is a member of The First Church of Christ, Scientist, in Boston, Massachusetts, and also a member of First Church of Christ, Scientist, Burlingame, California. That he is now and for the last month has been, employed with Union Oil Company of California, and for one year eight months previous to this time was employed by the Christian Science Benevolent Association on Pacific Coast in San Francisco, California. That he would like to be free to remain faithful to the teachings of Christian Science which turns the Christian Scientist away from examination of the body as a basis of health and toward total dependence on God for that blessing, and for that reason wishes to be exempted from any medical examination, laboratory tests and medical certificates for a marriage license; that he believes that he is in good health and is free from any venereal disease and that the public health and welfare will not be injuriously affected if such license is issued without said medical examination, laboratory tests, and medical certificates.

Both said Affiants state that this affidavit is made for the purpose of applying to the District Judge of the Third Judicial District of the State of Idaho, in and for Ada County, to waive the requirements as to medical examinations, laboratory tests, and certificates, and to order the licensing officer to issue a license, if all other requirements of the marriage laws of the State of Idaho have been complied with, without said medical examinations, laboratory tests, and medical certificates.
